

Logging into Google Apps the First Time!

1. Go to <http://www.google.com>
2. Click on Gmail at the top.

3. Input your user name: first name.last name@pacek-8.org (no spaces, be sure to put a dot between your first and last name.)
4. Input your password warriors (all lower case)
5. Click Sign in
6. Change your password to something you can remember but no one else will guess.
